## Resource List for Persons Living with HIV Infection in the Miami Valley/Dayton Consortium #4 area

**It is important to keep a 2 week supply of your medication on hand and keep a regular schedule of care appointments for visiting your health care provider:**

- It is recommended that you visit your doctor every 4 to 6 months
- It is recommended that you have your blood drawn to monitor your viral load and 7-cell about every 3 to 4 months
- It is best to seek treatment for depression and substance abuse problems

### **To get your medications refilled:**

- Call your pharmacist to speak to your physician's office for needed refills
- Call your case manager at AIDS Resource Center, Case Management office at 937-461-2437
- Call your physician or clinic office refill line

Support groups and educational groups are another opportunity for you to learn about how to stay healthy with HIV.

When the Stars  
Come Out!

The Dayton Chapter of PFLAG and the Greater Dayton LGBT Center are proud to present **"When the Stars Come Out!"** to commemorate National Coming Out Day for 2008. The event is scheduled for **October 4, 2008 at 8 PM** at the Dayton Convention Center Theater.

Several couples from the Miami Valley area will compete in a dance competition and **YOU** can help determine the winners. Proceeds from this event will benefit the good works of the Dayton Chapter of PFLAG and the Greater Dayton LGBT Center.

Please join us for this fun event and help select the winners. This will be an event only the gay community could present!
